

BUILDING TALL - HOME AND ABROAD

HEIDI MERGL ASSOCIATE AT WILKINSONEYRE

WITH MORE THAN TEN YEARS OF EXPERIENCE, HEIDI HAS LED NUMEROUS SCHEMES IN THE UK AND ABROAD. SHE IS PARTICULARLY PASSIONATE ABOUT CONSTRUCTION DETAILING, AND MAINTAINING THE DESIGN CONCEPT THROUGHOUT A PROJECT'S DEVELOPMENT. IN ALL HER PROJECTS, HEIDI CHALLENGES THE COLLABORATIVE DESIGN PROCESS, PUSHING THE ENVELOPE TO ESTABLISH INNOVATIVE DESIGNS THAT ARE SUSTAINABLE, FUNCTIONAL AND COST EFFECTIVE.

HEIDI STUDIED ARCHITECTURE AT THE HAFENCITY UNIVERSITY HAMBURG AND WORKED ON A NUMBER OF CONSERVATION AND RESTORATION PROJECTS IN GERMANY. BEFORE JOINING WILKINSONEYRE IN 2014, SHE ESTABLISHED HER FOCUS ON LARGE-SCALE MIXED-USE DEVELOPMENT IN THE URBAN FABRIC. HER EXPERIENCE INCLUDES THREE QUAYS, 160 HIGH-END RESIDENTIAL UNITS NEXT TO THE TOWER OF LONDON AND PHASE 1 OF THE BATTERSEA POWER STATION DEVELOPMENT CONTAINING 750 APARTMENTS POSITIONED ABOVE A COMMUNAL PODIUM.

AT WILKINSONEYRE, HEIDI HAS DEVELOPED AND COORDINATED THE TOWER AND ENVELOPE DETAILING OF THE FIRST PHASE OF CIBC SQUARE IN TORONTO. AND ALSO LED THE DESIGN TEAM ON 18 BLACKFRIARS, LONDON, WHICH WAS GRANTED PLANNING PERMISSION IN JULY THIS YEAR. DURING THIS LECTURE HEIDI WILL EXPLORE BOTH PROJECTS IN MORE DETAIL.
